

Says

What have we heard them say? What can we imagine them saying?

tells a story

What are their wants, needs, hopes, and dreams? What other thoughts might influence their behavior?

I think Fashion is Fashion is a about expressing language which our identity, showing someone who we are through about the person our fashion choices who wears it.

Fashion Haven is not only embraces clothing, but also accessories, hairstyles, beauty and body art.

fashion is a much broader concept than that, encapsulating who we are on an everyday level, and how we project that through our clothes.

Fashion is the things What we wear is who we are—and it's quite personal.

fashion haven is a good feel and also by this we put our mind to! do anything level confidential - It's a powerful thing! Creativity, function, expression, confidence... important things!. etc.,

Thinks

Fashion Haven

Fashion is something we deal with everyday...

Clothes create a wordless means of communication that we all understand.

all we need to do is to navigate fashion sensibly.by wearing our fashion and to deliver our vision.

Fashion is always changing and cannot be judged by personal vision

Fashion Havens are very imaginative, because of their new ideas about the wearing of fashions and of the wordless communication

Feels

Fashion can bring a sense of pleasure and elegance, purity, class, and difference, promoting a better life

Fashion changes over time as things go into & out of fashion, clothes get worn out and etc.,

Does

What behavior have we observed? What can we imagine them doing?

What are their fears, frustrations, and anxieties? What other feelings might influence their behavior?
